

BOX LED 1W

CODE: BL001

FEATURES:

- Drive current 350mA
- Power consumption 60VA
- Minimum load 6 LED 1W
- Maximum load 36 LED 1 W

BOX LED 1W and BOX LED 3W is the enabling force behind the whole ARC LED color change range. They have been designed to maximise the performance of the LED technology.

BOX LED 1W and BOX LED 3W are easy to install and thanks to the compact dimensions they can be mounted remotely.

BOX LED 1W and BOX LED 3W give the possibility to control the ARC LED units through a DMX signal or in stand alone modality. In stand alone modality it is possible to select the desired colour or rainbow mode. It is also possible to have both deep saturated colours or pastel colours. If using a DMX controller, BOX LED 1W and BOX LED 3W have 6 DMX channels which enable to control the following functions: RGB colours, dimmer and strobe.

BOX LED 1W and BOX LED 3W are also available in IR version which includes an infrared remote control.

BOX LED 3W

CODE: BL003

FEATURES:

- Drive current 700mA
- Power consumption 150VA
- Minimum load 6 LED 3W
- Maximum load 24 LED 3W
