

# COLIBRI'

CODE: IN001

COLIBRI' is the smallest LED light unit designed for wall washing, up lighting and down lighting applications. It represents a completely new direction in interior and exterior color change lighting thanks to the latest L.E.D. technology blended with the best optics which ensure a trouble free unit and many years of maintenance free operation.

COLIBRI' is the smallest RGB colourchanger on the market. It can be used in many applications: column and wall washing, mood lighting, architectural lighting, bar & club lighting, shops, museums.

## FEATURES:
