

# RING

CODE: RI001

RING is a small LED light unit designed for wall washing, up lighting and down lighting applications. It represents a completely new direction in interior and exterior color change lighting thanks to the latest L.E.D. technology blended with the best optics which ensure a trouble free unit and many years of maintenance free operation.

RING differs from other LED colourchangers because it gives a very definite diameter and a perfect colour mixing. It can be used in many applications: effect lighting, wall washing, mood lighting, architectural lighting, bar & club lighting, shops, museums.

### FEATURES:
