

STRIP 12

CODE: ST112

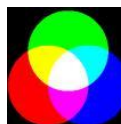

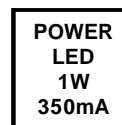

STRIP 12 is a LED light unit designed for wall washing, up lighting and down lighting applications. It represents a completely new direction in interior and exterior color change lighting thanks to the latest L.E.D. technology which ensure a trouble free unit and many years of maintenance free operation.

STRIP 12 has no optical lenses giving it a very wide beam, it is an ideal tool when a large area has to be coloured. STRIP 12 can be used in many applications: wall washing, mood lighting, architectural lighting, bar & club lighting, shops, museums.

FEATURES:
